Dear CCHS Families,

Cornwall Central High School will be holding Parent-Teacher Conferences on Tuesday, November 22nd from 7:30 AM to 2:10 PM and on Thursday, December 1 from 4:30 PM – 7:30 PM.

In order to make the process as convenient as possible, we will once again be using PTCFast.com to manage signups for parents. Parents may begin signing up for conferences starting Thursday, November 10, 2022. Please enter or click the following web address into your browser window if you would like to sign up for a conference:

https://ptcfast.com/schools/Cornwall_Central_High_School

The link will also be available on the CCHS website beginning November 10, 2022. To access the link go to About Us > Principal's Message > the link will be at the bottom of the message.

The conference home page is separated by teacher (Last name, First name) with the course subject following in parenthesis. EXAMPLE: Rose, Jeanne (English). It should be noted that parents of students in co-teach classes will only meet with the individual teacher you schedule a conference with. If you wish to meet with both teachers, you will need to schedule conference time with each teacher.

Conferences may be conducted in-person or via google meet depending on parent's availability and preference. If you are requesting a conference to be held via google meet, please contact your child's teacher to confirm that after signing up on PTCFast.com.

Please note that conference spots are limited; however reaching out to your child's teacher or counselor throughout the year to discuss progress is always encouraged.

Sincerely,

Brian Piazza
