### Update your Chromebook

### Step 1 of 6

When you're connected to the internet, your Chromebook automatically checks for and downloads updates. To check for updates yourself, at the bottom right, select the time.

Step 2 of 6 Select Settings (3).

# Step 5 of 6

If an update is available, it will start to download automatically.

Step 6 of 6

After your download is done, select **Restart** to finish the update.

Now you know how to update your Chromebook.
