

Welcome to CES Library

DEAR FAMILIES,

Welcome to another fabulous year at the CES School Library. Your children will visit the library once in a six day cycle for stories, lessons and book selection. Their teacher will let you know when library class is scheduled.

IMPORTANT INFO

- Students visit the library once during a six day special cycle.
- Books are due back on your child's library day.
- Students may return/checkout books earlier with their teacher's permission during Open Library.
- Library books can be renewed.
- There are no fines for late books, but if books are overdue for an extended period, borrowing privileges may be suspended.
- Books that are lost or damaged must be paid for in order to replace.
- Students are expected to follow the library rules that encourage a safe, fun learning environment.

Please check the school website for in-home access to the Opals library catalog and library website.

Our goal is for your children to love reading and to look forward to visiting the library each week. Please feel free to contact us if you ever have any questions or concerns.

YOU CAN HELP

Encourage your children to take responsibility for their library books

- Help them remember their library day and return their books that day.
- Set aside a specific place in your home for school library books so you don't misplace them. (backpack is a safe place)
- Use a plastic zip bag to protect books in backpacks.
- If the book is damaged, please don't try to repair it yourself. Have your child show us the damage so we can attempt to fix it using special library mending supplies.
- Encourage your children to come to us with any questions regarding their books. We can solve any problem if it is brought to our attention.
