

Willow Avenue Health Office

Put this on your fridge to refer to throughout the year

Fast Facts and Info

GO DRAGONS!

New York State mandates physicals, vision, and hearing screenings for all new students as well as students entering into K, 1, 3, 5, 7, 9, and 11.

Please submit an updated physical for your student

Vision and hearing screenings performed throughout school year in Health Office

Any medications given at school require a doctor's order.

This includes:

1 Over-the-counter meds

(pain relievers, creams, cough drops)

2. Inhalers

3. Epi pens and allergy medications

*Medications must be brought in by parent / guardian

Please notify the Health Office with any changes to your student's health status.

For example:

Broken bones, sprains, PE restrictions (MD note required for over 1 day), concussions, new medications, cardiac history, recent or upcoming surgeries

I NEED TO STAY HOME IF...

Temp 100.0F or higher

Vomiting in past 24 hrs

Diarrhea in past 24 hrs

Rash with itching or fever

Eyes with: redness, crusts, itching, or discharge

Willow Ave Elem Health Office
Katie Cowart, RN
