Kristine Schinella

Supervisor of Special Education

Heather Carpentieri

CPSE/CSE Chairperson

October 25, 2018

Dear Cornwall Central School District Families,

The district's School Health Services program supports your student's academic success by promoting health in the school setting. One way that we provide care for your student is by performing the health screenings as mandated by the State of New York.

During this school year, the following screenings will be required or completed at school:

Vision

- Distance and near acuity for all newly entering students and students in Kindergarten and Grades 1, 3, 5, 7, and 11.
- Color perception screening for all newly entering students.

Hearing

- Hearing screening for all newly entering students and students in Kindergarten and Grades 1, 3, 5, 7, and 11.

Scoliosis

- Scoliosis (spinal curvature) screening for all girls in grades 5 and 7, and boys in grade 9.

A letter will be sent home if there are any findings on the screening done at school that would cause concern or need medical follow-up. If you have any questions or concerns, please call your child's school nurses at the extensions listed below.

Thank you,

Nicole Triassi
