Materials

- Folder with Paper
- Pencils and Colored Pencils
- Dry erase markers
- Scientific Calculator

What to Expect

- We will be using the Go Math textbook. You will receive a workbook and an online account.
- Additional notes and worksheets will also be provided and should be kept in your folder until the unit is complete.
- IXL will be used for practice in class and for homework.
- You will also need a scientific calculator to assist you in completing your work.
- Copies of notes will be provided in Google Classroom.
- Quizzes and Tests will be announced in advance.

What to Expect

- If you are absent, please check Google Classroom to stay updated on what you have missed.
- A weekly review will be handed out each Friday and collected the following Friday. You may receive one pre-check during class or study hall, prior to Friday.
- Homework will be assigned as needed. It may be from the textbook, a worksheet, or an online assignment in Google Classroom.

Grading Policy

All assignments will be graded and entered in School Tool as quickly as possible.

Averages will be calculated using the following weights.

- 45% Tests
- 30% Quizzes
- 15% Classwork and Weekly Reviews
- 10% IXL Assignments and Homework

I'm looking forward to a fun year with all of you!

I am here to help and make sure we all have a successful year together!

I am available for extra help during study hall daily or during lunch on Wednesdays.
